## COMPANY PROFILE

### 35+ Years of Leather Excellence

Established in 1990, Divya International is a professionally managed export house manufacturing leather bags and accessories. For over three decades, we have partnered with global fashion brands, delivering products driven by precision, consistency, and refined craftsmanship.

### Certified. Compliant. Quality Assured.

Certified. Compliant. Quality Assured. Our CLE recognised, Sedex and BSCI certified manufacturing unit in Kanpur, India incorporates in-house tanning, modern machinery, and skilled craftsmanship. With an annual production capacity of 150,000 units, every piece undergoes multiple quality inspections to meet international quality and compliance

### Built on Reliability and Trust

Driven by ethical practices, on-time delivery, and consistent quality, Divya International has established long-term buyer trust, positioning us as a reliable, quality-focused manufacturing partner worldwide.

### Design. Execution. Innovation.

Our in-house design team develops 100+ new designs annually, curating a diverse portfolio of bags, accessories, wallets, belts and home products. Alongside LWG certified leather, we offer sustainable alternatives developed from plant-based and food industry by-products, promoting responsible sourcing and forward-looking innovation aligned with evolving global sustainability goals.

Established 1990 | Sedex & BSCI Certified | Exporting to 20+ Countries
